

IS543

APT. INTERCOM STATION

This versatile apt. intercom station can be used in new installations or to replace many existing apt. intercom stations, using 3, 4 or 5 wires.

With its universal mounting holes, the IS543 will align perfectly when replacing many existing flush and surface mount apt. intercom stations.

STATION SET-UP:

Follow the included chart for 3, 4 or 5 wire installations. Make sure BOTH slide switches are placed in the appropriate positions for 3, 4 or 5 wire utilizations.
